

CONFERENCE: **LIFE ON LAVA**

Animals and Plants of Lanzarote
Prof. Horst Wilkens

graphicdesign
Lily Matias

Join us for a presentation by Prof. **Horst Wilkens**, from the University of Hamburg. He will introduce his specialised knowledge of flora and fauna, concentrating on the extraordinary nature of Lanzarote. Further to this, the seminar will be illustrated by marvellous photos to show us the diversity of natural life on this island. English presentation.

After the conference there will be signing of Prof. Wilkins' new book: "*Birds of Canary Islands*"

**FREE
ENTRANCE**

February 27th | 19:00 | Conference room Hotel Jameos Playa | Puerto del Carmen
